### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the inclusion of a system for determining spatial positions between tracker and transponder units, wherein phase-stabilized signals are transmitted and received, and wherein a spatial position computer coupled to a receiver determines spatial positions of the units based on the received signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
